JACKET | VEST | TROUSERS

ECO-FRIENDLY FACILITY

Proud to be part of eco-friendly communities that use solar powered machinery, and actively participate in green practices.

BUILT TO LAST

Our jackets are fully fused and assure a smooth drape. Vest are finished with extreme care and Trousers are slim proportion with Supercrease® technology.

CERTIFIED SOCIAL COMPLIANCE

Our facility complies with laws and regulations to provide our work force with a safe and sanitary workplace.

SUIT SEPARATES PROGRAM

The Zegarie suit separate model is the definitive collection for personalized men's suit wear.

Jacket Inter Lining by Freudenberg

The finest men's suits are those with jacket inter lining by Freudenberg.

Inter lining gives a suit the traditional feel and shape for a proper drape.

Zegarie suits and separates are constructed with top materials from the finest mills and finished to the finest details.

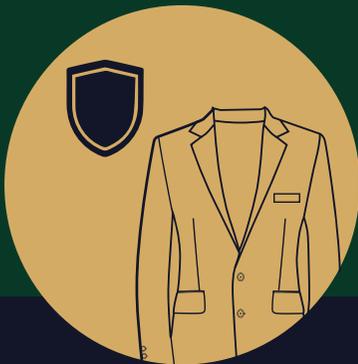

Button Closure and Security by Ascolite® YARN THREAD

Button Security

Ascolite® stands for the finest quality of buttonshank wrapping.

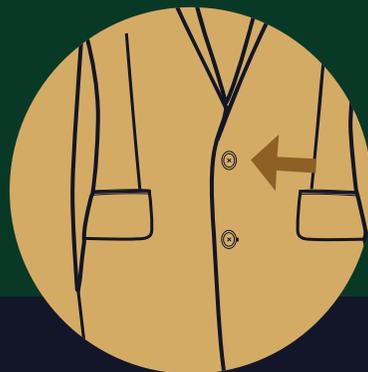

A button secured with Ascolite® remains tight, unsolvable, and impeccable even after years of wearing and washing.

Elastic Core

The Elastic Core of the yarn built to handle tension.

The main sewing threads are clamped together and cannot get loose.

Ascolite® Fastness

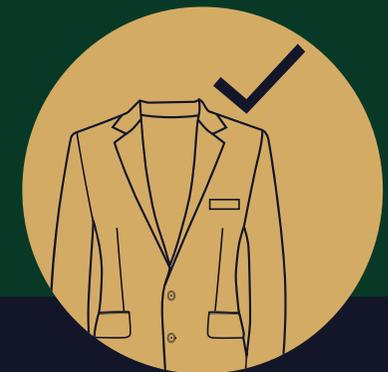

Ascolite® TF yarn has been tested several times by internationally recognized institutions (Institute Hohenstein SGS. United Labs. etc.)

Certified by Ecotex Standard: 100 Standards and M&S Quality standards

Ascolite® Quality

Ascolite® is ecologically safe; free from toxic substances, resisting to light, ironing, rubbing, washing to at least 60°C as well as resistant to chemical cleaning and surviving tunnel finisher to 140 °C

Zipper & Fastening by YKK®

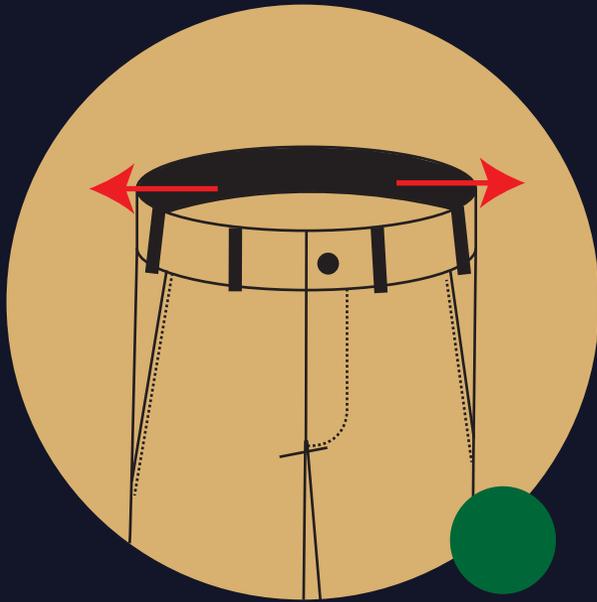

YKK founded in Tokyo in 1934. YKK has continuously set industry standards by setting highest quality and innovative fastening products.

Their production includes zippers, hook & loop fasteners, plastic buckles, notion, webbing and snaps & buttons.

Expandable Waist

Expandable Waist: Comfort is an important element in our trousers with built in internal elasticated waistband. Smart flex technology waist band designed to move with comfort.

Manufactured in certified Social Compliance & Labor Productivity facility.

Sedex® Certified Facility: one of the world's largest collaborative platforms for sharing responsible sourcing data on supply chains, used by more than 50,000 members in over 150 countries. Tens of thousands of companies use Sedex to manage their performance around labour rights, health & safety, the environment and business ethics.

Facility has complied with all applicable laws and regulations in their county of operation, including those that impact wages, working hours, discriminatory hiring and employment practices, employee health and safety, forced labor, child labor, slave labor, human trafficking and corruption.

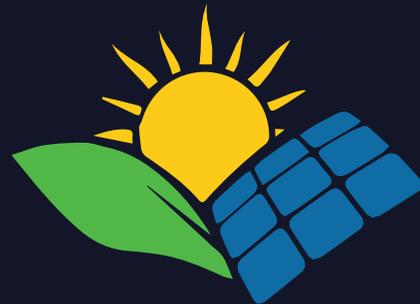

Provide employees with a safe and sanitary workplace that included appropriate training, controls, protective equipment, including first aid and emergency care equipment. Operate facilities that contain emergency alarm systems, clearly marked emergency exits, free of obstruction free work zones, fire extinguishers in appropriate areas, and evacuation plans that are all reinforced by emergency evacuation drills.

No discrimination in regards to gender, race, age, nationality, disability, citizenship, veteran status, marital status, maternity, sexual orientation, political or religious belief, or any other status or personal characteristic.

Solar Powered Facility

To reduce our carbon footprint, our manufacturing facility is powered by solar energy. Manufacturing facility equipped with rooftop solar panels that provide employees and machines with clean energy. Proud to be part of the local and international communities to work sustainably and eco friendly to reduce our carbon emission.
